# TSYLF NEWSLETTER November 2018

Ellen Lam  
Timothy S.Y. Lam Foundation  
President

On behalf of the entire Timothy S.Y. Lam Foundation Board of Directors, thank you to all of our generous supporters and donors. Last month we held our Spirit of Hospitality Awards at the Four Seasons Hotel in Las Vegas. And while we certainly do count our blessings after this successful event, we are also making sure our blessings count by supporting the professional development and academic advancement of the hospitality industry.

By continuing to provide grants and scholarships to hospitality students and professionals, the Timothy S.Y. Lam Foundation is able to support the career advancement of hospitality professionals and students across the globe. The Foundation could not continue its work without supporters like you.

Sincerely,

A handwritten signature in black ink, appearing to read 'Ellen Lam', with a long horizontal flourish extending to the right.
