The Timothy S.Y. Lam Foundation (TSYLF)[501(c)(3)] is truly proud to be celebrating eight years of helping hospitality professionals and students prepare for their careers in the hospitality industry. You can learn about these good works and more from the students and professionals who have benefited from our programs and support, in the TSYLF's 2019 Annual Report.

Of course, none of this would be possible without an ongoing commitment from all of you, our greatest supporters whose beliefs, focus and generosity have helped to raise and donate scholarship and grant funds throughout the last eight years. The Foundation Board of Directors cannot thank you enough for your commitment to our mission.

The success of the Foundation's efforts are also the direct result of the passion and leadership with which its Board of Directors serve. Rest assured, we will continue to elevate and serve our mission of extending TSYLF's impact from the industry into the community through education and student and professional support, and in so doing, improve the lives of the next generation of hospitality leaders and their opportunities for success

I encourage you to take a few moments to review the work of the Foundation in the 2019 Annual Report by using the link below. I think you will be very proud of what we all have accomplished together.

Sincerely,

THANK YOU

Receiving the scholarship was extremely helpful in helping me obtain my certification. Although I work full time, I am a single mother and every expense matters! The scholarship allowed me to not have to worry about additional financial costs and allowed me the opportunity to study and focus solely on studying for the exam.

CPCE SCHOLARSHIP RECIPIENT

Without the support of the Timothy S.Y. Lam Foundation scholarship, I would not have been able to sit for the CMP exam at the time that I did. I am very thankful for the opportunity to advance my career and would encourage any fellow meeting planners to apply for the CMP Scholarship in order to help reach their goals.

It has been a goal of mine to achieve this level of certification since entering the industry in 2013. I am always striving to push myself out of my comfort zone to expand my knowledge and education, and it was with your support that I was able to do so.

Having this designation will set me apart from others in the industry & let me join a community of other amazing hospitality professionals. The process of applying for the scholarship & the exam were made very simple by the staff of both TSYLF & NACE, which made it all the more sweet!
